ABA Regaining Eligibility

Name	Date
Address	Case Number
City, State , Zip	Caseworker/Supervisor:

An Able-Bodied Adult (ABA) is not eligible to participate in SNAP as a member of any assistance group when he or she has received SNAP benefits for three (3) countable months during any thirty-six (36) month period.

An ABA who has reached their time-limit can regain eligibility by meeting an ABA exemption or during any thirty (30) consecutive days engaged in work for eighty (80) hours.

“Work” includes working in exchange for money, goods, or services (in-kind work), or unpaid work. “Unpaid” work includes any activity in which the individual exerts strength or faculties to do or perform something for which no compensation is received and that benefits the community or member of the community that does not reside with the individual.

In-kind or Unpaid work must be verified by the individual/organization for which you are working/participating with to meet these requirements.
